Periodically we update our prayer list, removing names if we have no recent update or contact for the person. This is important so we continue to know who it is we are praying for and can continue to pray mindfully for those in need. Our prayer list dates to before 2011. If your loved one was inadvertently removed, please do not hesitate to contact Kerri in the parish office so they can be added back on. Thank you for understanding and for your intercessory prayers!
